ORGANIZING TEAM WELCOME

Dear Advisors, Delegates and Guests,

On behalf of everyone on the Organizing Team, let me welcome each and every one of you with excitement and deep enthusiasm at the 7th DSTMUN Conference. The conference this year serves as proof of our team's commitment, imagination, and passion. Building on previous successes, particularly the conference from the previous year, we improved our concepts and looked for creative ways to take this year's event to new levels. We've taken great effort to make sure that every aspect of this year's DSTMUN is something you will never forget, and we've tackled each challenge head-on. Our passionate organizing team invested in many hours of meetings, brainstorming sessions, and teamwork to prepare for this event; it truly has been a labor of care. We are pleased to reveal to you the reality that emerged from what was only an idea few months ago. Without each and every person's constant encouragement and passion for our mission, none of this would have been possible. We really appreciate your participation, whether it is your first time or you are coming back. We genuinely appreciate your dedication to the values that DSTMUN advocates, as demonstrated by your presence here. DSTMUN is a place where young minds come together to discuss the most important global issues that confront us every day, rather than just a conference. It was created by students, for students, with the intention of encouraging the upcoming generation to actively participate in determining the course of the world. By means of vigorous arguments, insightful speeches, and significant decisions, our aim is to provide you the confidence and instruments necessary to effect change. Our conviction is that each of you has the capacity to become a person of vision, as the problems of today demand not only leaders but visionaries as well. Remember, as we are out on this exciting adventure together, that DSTMUN is about more than simply writing resolutions and discussing policy. It also involves developing relationships, creating networks, and accepting the variety of viewpoints that each of you contributes. This is your chance to develop, learn, and have an influence on the world at large as well as this conference. We are available to assist, encourage, and remind you of the importance of your voice.

So let's begin! Now that the 7th DSTMUN Conference has officially begun, we are thrilled to witness what innovative solutions, intense debates and great ideas will surface in the days ahead. Let's work together to make this conference one to remember.

Once again, welcome to the 7th DSTMUN Conference—let the conference begin!

With best regards,
Vasiliki Tsakiridou
Head of the Organizing Team

SECRETARIAT WELCOME

Honourable MUN Advisors, Fellow Student Officers, Distinguished Delegates, and Esteemed Guests,

It is with immense pleasure that I hereby welcome you to the 7th annual session of the DST Model United Nations (DSTMUN) conference.

MUN serves as a bridge, connecting individuals from diverse cultures and backgrounds, offering participants the opportunity to understand various perspectives. For the seventh consecutive year, the Secretariat of DSTMUN is proud to host a three-day simulation of a United Nations conference, with the goal of fostering political dialogue and discourse among youth. Once again, we aim to provide a memorable experience where participants can engage, learn, and build meaningful connections. We are thrilled to welcome Delegates, Judges, Advocates, Student Officers, and Advisors from across Greece, and Europe to our now truly international conference.

The theme for this year's DSTMUN is "Promoting Peace: Working towards the De-escalation of International Conflicts". Every committee's agenda includes topics tied to this central theme. In recent years, war has played an increasingly critical role in worsening quality of life for millions and pushing issues like poverty, inequality, and climate change out of the public political discourse. *The need for peace all over the planet is now stronger than ever.* The United Nations defines sustainability as "meeting the needs of the present without compromising the ability of future generations to meet their own needs." This broad concept includes environmental, social, human, and economic dimensions, but this year we will place special emphasis on the environmental aspect.

This focus highlights the urgent need for peace in every corner of our world. Now more than ever, to not only build a resilient future but to ensure we have a future at all, we must confront and resolve the wars, terror, conflicts, and divisions that continue to plague us. This commitment is our key to mitigating the devastating consequences of human conflict, for whatever reason it arises. By fostering a united commitment to uphold and spread peace wherever war rages, we can – and I sincerely hope we will – help realize the ultimate goal of the United Nations: global peace. In today's interconnected world, peace for one is only sustainable when it becomes peace for all. Let us work together to achieve a brighter, more peaceful future for the generations to come.

SECRETARIAT WELCOME

A Model United Nations conference is much more than a simulation. It is a transformative experience that sharpens public speaking, debate, and diplomacy skills. Through representing your delegation's policy, you will gain insight into global issues, challenge yourself, and learn the value of collaboration and compromise. At DSTMUN, you will also have the chance to form friendships, exchange ideas, and take steps toward becoming a responsible global citizen. The MUN community, made up of Delegates, Judges, Advocates, Student Officers, and Secretariat members, both newcomers and more "seasoned" students alike, shares a passion for international relations and a commitment to finding solutions to global challenges. We hope DSTMUN offers you the full breadth of this experience.

I trust that this year's DSTMUN will welcome you with open arms, encouraging constructive dialogue and collaboration on the world's pressing issues. May the debates you engage in broaden your horizons and offer fresh perspectives. On behalf of the Secretariat of the 7th DSTMUN, I wish you a fantastic conference filled with lasting memories!

Warm regards,
Lukas Voigt-Vozanas
Secretary-General

DRAFT RESOLUTIONS

A Draft Resolution is a document that proposes solutions to the issue being discussed. Every Draft Resolution must have one Main Submitter and at least one third of the Committee as Co-Submitters. The Main Submitter may be decided between the signatories of the Resolution. Delegates must sign up for exactly one Resolution each. A Draft Resolution is comprised of three parts: the heading, the pre-ambulatory clauses and the operative clauses:

1. Heading:

FORUM: (The Committee in which the Draft Resolution is being debated upon)

QUESTION OF: (Topic the Draft Resolution refers to)

SUBMITTED BY: (Main Submitter)

CO-SUBMITTED BY: (Co-Submitters) THE (NAME OF THE COMMITTEE),

2. Pre-Ambulatory Clauses:

Pre-Ambulatory Clauses may refer to:

- Basic principles that need to be protected in the Draft Resolution
- Definitions that are needed to establish a common understanding
- Statements made by UN officials or UN agencies about the issue at hand
- Past actions that have helped solve the problem

Sample Pre-Ambulatory Clauses:

Viewing with appreciation the celebration of the 70th anniversary of the Universal Declaration of Human Rights, which recognizes the inherent dignity, equality and inalienable rights of mankind,

Reaffirming the Security Council Resolution S/RES/1322, which was adopted on October 7th, 2000 and called for peace between Israel and Arab states while supporting the Israeli- Palestinian peace process,

Recalling Article 49 of the 1949 Geneva Convention which dictates that an occupying power shall not deport or transfer parts of its own civilian population into the territories it occupies,

[...]

Pre-Ambulatory Clauses should start with one of the following:

DRAFT RESOLUTIONS

Affirming Alarmed by Approving Bearing in mind Believing Confident Contemplating Convinced Declaring Deeply concerned Deeply conscious Deeply convinced Deeply disturbed Deeply regretting Desiring	Emphasizing Expecting Expressing its appreciation Fulfilling Fully aware Further deploring Further recalling Guided by Having adopted Having considered Having examined Having received Keeping in mind Nothing with satisfaction Noting further	Noting with deep concern Observing Reaffirming Realizing Recalling Recognizing Referring Seeking Taking into consideration Taking note Viewing with appreciation Welcoming
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

3. Operative Clauses:

Operative clauses state the solutions that the Co-Submitters of the resolution propose in order to resolve the issue. The operative clauses should address the issue specifically mentioned in the pre-ambulatory clauses above it.

Sample Operative Clauses:

1. Calls on Israeli authorities not to proceed with the demolition of Palestinian Settlements, not to relocate Palestinian communities in the occupied West Bank and to ban forced displacements;
2. Encourages all member states to provide further financial assistance to the United Nations Relief and Works Agency for Palestine Refugees (UNRWA), an agency almost entirely funded by voluntary contributions from UN Member States, so as to cover the expenses of the people injured by the demonstrations of Hamas against Israel while focusing on aspects including but not limited to:
 - a. repairing the infrastructure needed for UNRWA to conduct its humanitarian assistance such as:
 - i. hospitals,
 - ii. medical centres,
 - iii. schools,
 - iv. storage facilities,

DRAFT RESOLUTIONS

- b. creating shelters for refugees and providing them with needed commodities and psychological support,
- c. encouraging international volunteer forces to assist the victims both psychologically and physically,
- d. mobilizing both Israel and Palestine via dialogue to restore electricity in Palestinian households and resolve power shortages seriously interrupting the delivery of basic services;

3. Calls for international cooperation in order to combat terrorist attacks and undermine terrorist groups' actions which threaten both Israeli and Palestinian civilians.

[...]

Note: Operative Clauses must be underlined in Resolutions.

Operative Clauses should start with one of the following:

Accepts Affirms Approves Authorizes Calls Calls upon Condemns Confirms Congratulates Considers Declares accordingly Demands Deplores	Designates Draws the attention to Emphasizes Encourages Endorses Expresses its appreciation Expresses its hope Further invites Further proclaims Further recommends Further reminds Further requests Further resolves	Notes Proclaims Reaffirms Recommends Regrets Reminds Requests Solemnly affirms Strongly condemns Supports Takes note of Transmits Trusts
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Note: All operative stock phrases in **bold** can only be used in the Security Council.

OVERVIEW OF THE RULES OF PROCEDURE

All Rules can be found in the respective document on the website of the Conference.

RULE 4: RIGHT OF REPLY

A delegate whose personal or national integrity has been impugned by another delegate's comments may request a Right of Reply verbally or via note. Disagreement with the content of a delegate's speech does not constitute grounds for a Right of Reply. A Right of Reply has direct reference and may not interrupt a speaker.

RULE 24: SIGNATORIES OF A DRAFT RESOLUTION

Every Draft Resolution must have one Main Submitter and Co-Submitters. The Main Submitter may be decided between the signatories of the Resolution. It is highly advised that the delegate proposing the majority of the operative clauses be the Main Submitter. The minimum number of signatories for a document to become a Draft Resolution will be set equal to 1/3 of the delegates present in the committee. Delegates must sign up to exactly one Resolution each. Signatories are not required to support the Draft Resolution during the following debate or voting procedure; being a signatory of a Draft Resolution shall only mean that a delegate wishes to see a Draft Resolution discussed.

RULE 27: VOTING METHOD

Each delegate has one vote that must be demonstrated by raising their placard when requested by the Chairs. The delegates may vote in favour, against or abstain. Non Governmental Organizations and Non-Member States of the United Nations may vote only in procedural matters. There may be no voting in absentia.

RULE 33: AMENDMENT SHEETS

All amendments are to be submitted to the Chairs on the official amendment sheet of the DSTMUN Conference. Only one amendment per amendment sheet is in order.

RULE 34: INTRODUCTION OF AMENDMENTS

The discussion of an amendment is subject to the Chair's discretion. If the Chair believes that an amendment is constructive and adds to a Draft Resolution, they may inform the Submitter of the Amendment via note. Once the delegate has been given the floor, they must ask whether they may introduce an amendment. If the answer is in the affirmative the floor is given to the delegate to present their amendment.

Mobile phones

All participants are expected to carry a phone with them for any possible case of emergency. During committee work it may however be turned off. Latter is up to the discretion of the committee's chairs to decide. During the Opening and Closing ceremonies all mobile devices must be turned off, or turned silent.

Information on the Rules of Procedure

All delegates are expected to be acquainted with and abide by the Rules of Procedure of DSTMUN during committee work. If that is not the case the chairs may remind them. In the beginning of committee work there shall be a short introduction by the chairs where RoP can be addressed if so requested by the committee's delegates.

Information for Student Officers

In case of any unexpected incidents or emergency Student Officers are required to inform the Organising Team and Secretariat, who may initiate any further action accordingly.
